

# Integrated Care Management Course

## Become a Chronic Care Disease Specialist

This presentation is sponsored by FLGNA  
[www.flgernurse.org](http://www.flgernurse.org)

- Partnering with individuals, families and caregivers to promote informed, health literate, activated, and engaged self-management.
- Developing healthcare provider competencies and practices to support functioning as a prepared, proactive, health literate care team.
- Demonstrating innovative leadership in transformational change, hardwiring excellence, and creating a learning environment that values multi-disciplinary teams.
